ANNIVERSARY GOLD & SILVER LEAF EDITION
ANNIVERSARY METALLIC SILVER EDITION

CELEBRATING THE 25TH ANNIVERSARY OF THE STARPLAYER

In 1995 the world was introduced to the original Duesenberg Starplayer guitar. Over the years this iconic model has developed into one of the most impactful new lines within the music industry. Today the Starplayer TV has spent countless hours in studios and stages around the world, with legends like Mike Campbell, Joe Walsh, Ron Wood, John Mayer, Bob Dylan, Johnny Depp, Chris Cornell, Dave Stewart and many others placing the Duesenberg Starplayer TV into the history books.

In celebration of this historic milestone, we are releasing two unique versions of the Starplayer TV.

In the Collector's Series, the 25th Anniversary Limited Edition, is prepared in a striking Gold-Leaf and Silver-Leaf accents on the sides and neck. This Limited 25th addition is exclusive to just 25 pieces worldwide. Additionally, we are presenting another special version of the 25th Anniversary Starplayer TV in a stunning Anniversary Metallic Silver. This will come with our newly released Split-King Duo-Coil Pickups, which are uniquely constructed to deliver both a Singlecoil and vintage Humbucker tone for even greater flexibility on stage.

This collectible will only be available during 2020.

Several color additions to the regular Starplayer TV line and other models complete this years celebratory lineup.
